

## ADMISSION POLICY AND PROCEDURES

- As per the *McMaster University School of Graduate Studies Calendar*, admission is competitive; meeting the minimum requirements does not guarantee admission.
- The admission decision is not subject to appeal.
- The School of Rehabilitation Science does not provide feedback to applicants concerning their performance on the interview.
- Applications from one year are not held over to another year.
- The MSc Physiotherapy Program does not allow successful applicants to defer their start date.
- There is no provision for advance standing or transfer into the MSc Physiotherapy Program.
- Applicants should understand that where it is discovered that any application information is false or misleading, or has concealed or withheld, the application will be deemed invalid, and the matter will be forwarded to the Office of Academic Integrity. If the student has already been admitted and registered, withdrawal from the university may be required, pending a university investigation.
